Servings and times not listed in the source

INGREDIENTS

- 1 pound boneless skinless chicken breasts (about 2 breasts)
- 2 tablespoons balsamic vinegar
- 1 tablespoon extra virgin olive oil
- 1 clove garlic (minced)
- 3 tablespoons honey (divided)
- 1 teaspoon fresh rosemary (minced, plus more for garnish)
- Kosher salt and freshly ground black pepper

STEPS

1. Gather 3-5 wooden skewers and place in a shallow plate with water for 30 minutes.
2. Trim the chicken breasts of any extra fat. Cut into 1 inch chunks and set aside.
3. In a medium mixing bowl, whisk the balsamic vinegar, olive oil, garlic, 1 tablespoon honey and 1 teaspoon rosemary plus a generous pinch of kosher salt and pepper. Add the chicken and refrigerate for 1-2 hours.
4. Preheat the grill to high. Thread the chunks of chicken onto the wooden skewers.
5. Spray the grill with non-stick cooking spray or olive oil. Reduce the heat to medium-high. Cook the chicken 3-5 minutes on each side, basting with the remaining honey. Continue turning until cooked through, about 10 minutes or until opaque.
6. Let sit for 2-3 minutes and serve. Drizzle with more honey and fresh rosemary if you'd like.

Source didn't list servings or times (beyond soaking, marinating, and grilling times in the steps).

> **Heart-healthy tip:** Lean, grilled, and made with olive oil, so it's already heart-friendly. Thread bell pepper and onion on the skewers to add veggies.
