Slow Cooked Salisbury Steak

Make-ahead slow cooker dinner · From 5 Dinners in 1 Hour

Illustration

Cook Low 6-8 hours

INGREDIENTS

- 6 pre-formed hamburger patties
- 1 T steak seasoning
- 1 1/2 C frozen chopped onion
- 1 pkg sliced mushrooms (optional)
- 1/4 C flour (white, gluten free or whole wheat)
- 1 1/2 C beef broth
- Salt and pepper (to taste)
- 6 C salad greens
- 1 bag frozen mashed potato steamer

STEPS

1. Sprinkle burger patties with steak seasoning and add to large container with lid using wax paper between layers.
2. Add last 5 ingredients to a medium container with lid.
3. Spray slow cooker with non stick spray. Add meat patties.
4. Shake broth mixture well and pour over meat patties. Cook on low for 6 - 8 hours.
5. Cook potatoes according to package directions and serve with green salad.

Written as in the source. 'Last 5 ingredients' most likely means the onion, mushrooms, flour, broth, and salt and pepper; the greens and potatoes are served on the side. Source didn't list servings or prep time.

> **Heart-healthy tip:** Use lean ground beef or turkey patties and low-sodium broth, and fill half the plate with the salad greens.
